Testimonials

"I found the course extremely educational I learned so much about technique, fact finding, and just everything I did not know about auditing. It made me want all the passed audits I had completed back, so I could do them properly with all that I had learned. […] I really wish this was the first course I had ever taken [and] I would not hesitate in attending any other courses offered by CCAA."
– M.I. at Flying Colours Corp – Mississauga, ON, 2014

"The information was very useful. I wish I had [taken] that course before my first audit."
– V.M at Canadian Helicopters Ltd – Mississauga, ON, 2016

"I have been involved in Quality Programs and have performed audits over the years and I continue to learn new strategies through a course like this."
– S.M. from Brant Aero – Mississauga, ON, 2016

"Well-structured class. I am very happy with the content and level of expertise of the instructor, and the presentation was very well done."
– V.L. – Chilliwack, BC, 2017

"[The workshop] gave much insight into areas of potential improvement, for both the company and myself as a QA officer. Length [of the workshop] was just right."
– K.T. at Sealand Aviation Ltd – Calgary, AB, 2017
